Title:	Non-invasive vaccination through the skin
Customer No.:	85965

Mail Stop Amendment

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

This letter and the attached form PTO/SB/08a are submitted after the issuance of an Official Action and before Allowance of the present application. No fees are believed to be due at this time. The Commissioner is authorized to charge Deposit Account No. 50-4939 in the event that any fees are deemed as due in this application, or to credit any overpayment.

Information submitted in this IDS is not meant to indicate that a search has been made, or that any given document is prior art in the context of the present invention.

All documents disclosed herein were disclosed in a communication from the Japanese Patent Office less than three months ago in a Japanese application counterpart to US Patent Application No. 09/890,371, described as a copending application to the present application at page 1 of the present application. The documents were cited against the novelty and inventiveness of the Japanese claims. A copy of EP 0440289 is included to provide an English language version of JP 4-210925. A copy of WO 93/08834 is included to provide an English language version of JP 6-507420. A copy of an English language translation of the abstract and an English language summary are included to provide English language versions of JP 8-183742 and 6-183954. An English version of JP 5-502042 provided herein, WO 92/03122, was previously disclosed in an IDS in this application in October 2006.

Information disclosed herein and throughout prosecution of this application is believed to be complete and within the meaning of the duty to disclose information and the duty of good faith and candor imposed by the USPTO. In view of recent Federal Circuit caselaw, Applicant notes that no information that should be submitted in compliance with these duties has been intentionally omitted from this letter or from the accompanying Information Disclosure Statements and documents attached thereto. In the event that any material, non-cumulative information is deemed missing, it is noted that such omission was made without any intent to withhold information from the USPTO. General comments made in the IDS filed July 2010 are also meant to apply herein.

Respectfully submitted,

Valerie Neymeyer-Tynkov
